Front End (Intern)
Cherry Byte Technology

02/2024 - 05/2024   *Lahore*
A Service Based Company

Responsibilites

- ⬚ Review design mockups and transform them into high-quality, efficient, and maintainable code.
- ⬚ Ensure the website is fully functional and responsive across all devices and browsers.
- ⬚ Seamlessly integrate front-end code with back-end systems to enable smooth data flow and functionality.
- ⬚ Test both functionality and design thoroughly before handing them off to QA. Address and resolve any issues that arise during testing.
- ⬚ Regularly push code to GitHub and share updates and resources with senior developers to maintain transparency and collaboration.

PROJECTS

Task Management with Login-Register (02/2024 - 03/2024)
